ALLERGEN GUIDE INTRODUCTION

Majority of the food at Mizu is made fresh by our kitchen staff, with the exception of some dishes, desserts and bottled sauces.

if you have any allergies, kindly inform our staff, even if the allergen isn't listed in your chosen meal. Please note that not all ingredients are listed on our menu. While we strive to accommodate dietary needs.

This allergen chart provides information on known allergens present in our meals, based on data received from our suppliers regarding ingredients and recipes. While we strive to eliminate allergens where possible, we cannot guarantee the absence of accidental cross-contamination beyond our control within the supply chain.

Our staff are all trained to deal with allergen requests but there is always the possibility of human error. Restaurants are also unable to stock EpiPens in our first aid boxes.

We therefore please ask that you use this guide with this in mind.

Many thanks for your understanding,

Mizu Team
